

Orientation

1.1 General Information

1. **KEYS (203 VAN)**

Your student ID (Iowa ONE) card will give you electronic access to the building. Please see Dan Gengler in the main office, 203 VAN if your card isn't working for electronic access. Some students will need an office key and work area key. To get a work area key, your supervisor will need to approve the key sign out by submitting the electronic Key Request form found on the departmental website:

<https://physics.uiowa.edu/resources>.

You will be liable for the replacement charge if you lose or fail to return your keys promptly (7 days) following your graduation/termination. Replacement charge for a sub-master key is \$100.00 and replacement charge for individual room keys is \$50.00.

2. **MAIL (203 VAN)**

You have a mailbox (hanging file folder) in the filing cabinet under the counter directly across from the faculty mailboxes. You should check your mailbox often – at least weekly, as this is where all your mail will be delivered. Campus and U.S. Mail is delivered twice daily. Pick-up and delivery are handled in 203 VAN. Campus mail is picked up and delivered around 8:30 a.m. and around 1:00 p.m. Outgoing campus mail should be placed in the box marked "Campus Mail" in 203 VAN (bottom left corner). Stamped outgoing U.S. mail should be placed in the box marked "U.S. Mail Outgoing" in room 203 VAN (bottom row – 2nd from the left).

3. **PERSONNEL FORM AND DIRECTORY (202 VAN)**

You will need to fill out a departmental directory form (in your orientation folder) and return to Cyerra in room 202 VAN to be added to the departmental directory. If you have questions about filling out the form, take it to your advisor or supervisor. **If you change offices or your home address at any time, please inform Cyerra, as well as make the change in your Employee Self-Service page.**

4. **GRADUATE STUDENTS (202 VAN)**

The graduate program coordinator (Cyerra Hutchins) in room 202 VAN will assist you with forms for the graduate college, your advisor, as well as many other things, or direct you to who you need to talk with regarding program-related questions.

5. **COPYING**

There is a copy machine (can also fax or scan), shredder, poster printer and other miscellaneous small office equipment to be used in conjunction with these machines in room 225 VAN. A code is required in order to use the copy machine. Check with your supervisor/advisor to determine the account number to use. If you need assistance using any of these machines, please go to the Administrative Office in 203 VAN.

6. **ADMINISTRATIVE OFFICES (202, 203, 204, 207, 210, 212, and 216 VAN)**

As a general rule, if you have questions regarding your wages, medical benefits (for graduate students), vacation or sick leave reports, requisitions, general office supplies, contracts, or proposals, you will need someone in the Administrative Office. Your supervisor or advisor should direct you to the proper area to obtain assistance.

7. MISCELLANEOUS

There is a colloquium/seminar posted on our Departmental webpage, listing the next week's colloquium and seminars in the Department. The weekly calendar can be found on the Departmental webpage by clicking on "About" and then "Events". It will also be posted on the digital signage in the west entrance of Van Allen Hall.

The "Commons Room" (316 VAN) is a study/lounge for use during the week. It is intended to be a quiet place to study, rest, or visit. Please be considerate when others are using the room for studying and avoid loud talking or boisterous behavior. In the Commons Room there is a supply of literature pertaining to other schools. There is a bookshelf with supplemental Physics and Astronomy textbooks for your reference also available in this room, as well as in Rm. 210. Coffee is available here for \$5.00 per month or \$.50 per cup. Coffee dues should be paid in 203 VAN on the 1st of the month (Please see Misty to sign up and to give your payments to).

8. COMPUTER ACCOUNTS

You are **required** to provide an e-mail routing address to the University for your generic e-mail address "first name-lastname@uiowa.edu. You can designate this routing address within MyUI by following these directions:

- Log into MyUI
- Click on Email Tools icon
- Update Email Routing Address
- Enter the address you want your generic address to route to

Please be sure to activate your UI email address before you turn in your Directory Update form so you can list this address on the form.

See Ryan Hallock or Tim Lissovsky in room 210A VAN if you need further assistance doing this or have any questions about computer/email accounts. Email all IT inquiries to its-helpdesk-sm@uiowa.edu.

1.2 New Graduate Student Checklist

Human Resources Tasks

	Human Resources Office - Chris Crawford – 214 SH
	COGS Bulletin Board – Between Rms 213 and 214 VAN
	W-2 form completed
	I-9 form completed – Completed during orientation week
	Auto deposit form completed

Personal Tasks ****See Cyerra in 202 for questions**

	Your mailbox
	Your office and desk
	Complete your departmental address form (included in binder)
	Keys and electronic access to Van Allen Hall
	Coffee club money (if appropriate; \$5 per month)

Physics & Astronomy - Who Does What

Departmental Phone Directory

Table of Physics & Astronomy contact information. First column is name, the second column is room number, the third column is phone. *(If calling a campus number from a campus phone, you only need to dial the last five numbers. If calling off campus from campus phone, dial 9 before the number you're dialing)*

Department of Physics & Astronomy Administration

FACULTY OFFICE LIST

PHYSICS AND ASTRONOMY

Fall 2022

Name	Title	Area	Office	Phone
Brown, Shea	Associate Professor of Instruction	Astronomy	303 VAN	5-3506
Candido, Denis	Assistant Professor	Condensed Matter	120 IATL	5-2597
DeRoo, Casey	Assistant Professor	Astronomy/Astrophysics	704 VAN	467-0370
Flatté, Michael	Professor	Photonics & Quantum Electronics; Condensed Matter and Materials Physics; & Optics	136 IATL	5-0201
Folland, Thomas	Assistant Professor	Condensed Matter	124 IATL	467-3137P
Fu, Hai	Associate Professor	Astronomy/Astrophysics	751 VAN	5-0402
Gayley, Kenneth	Associate Professor	Astronomy/Astrophysics; Space Physics; & High Energy Astrophysics	707 VAN	5-3282
Goree, John	Professor	Plasma Physics; Condensed Matter and Materials Physics; & Optics	512 VAN	5-1843
Halekas, Jasper	Professor	Space Physics; Astronomy/Astrophysics; & Plasma Physics	414 VAN	5-1929
Hoadley, Keri	Assistant Professor	Astronomy/Astrophysics	703 VAN	467-4436
Howes, Gregory	Professor	Plasma Physics; Space Physics; Astronomy/Astrophysics; Astronomical Instrumentation; High Energy Astrophysics; Interstellar Medium and Galactic Center; Solar and Planetary Astronomy; & Plasma Astrophysics	213 VAN	5-1221
Jaynes, Allison	Associate Professor	Space Physics & Plasma Physics	404 VAN	5-3799
Kletzing, Craig	Professor	Space Physics & Plasma Physics	502 VAN	5-1904
Lang, Cornelia	Professor & CLAS AD	Astronomy/Astrophysics; High Energy Astrophysics; & Interstellar Medium and Galactic Center	713 VAN	5-1945
Meurice, Yannick	Professor	Elementary Particle Physics; Mathematical Physics; & Nonlinear Dynamics	514 VAN	5-1991
Miles, David	Associate Professor	Space Physics	604 VAN	5-3007
Nachtman, Jane	Professor & Director of Undergraduate Student Studies	Elementary Particle Physics	106 VAN	5-1844
Onel, Yasar	Professor	Elementary Particle Physics & Nuclear Physics	153 VAN	5-1853
Polyzou, Wayne	Professor	Mathematical Physics; Nonlinear Dynamics; Nuclear Physics; & Particle Physics	306 VAN	5-1856
Prineas, John	Professor & Director of Research Operations	Condensed Matter/Materials Physics; Optics; & Photonics and Quantum Electronics	138 IATL	5-3347
Pryor, Craig	Associate Professor	Condensed Matter/Materials Physics	144 IATL	5-0099
Reno, Mary Hall	Professor & Department DEO	Elementary Particle Physics	211 VAN (DEO Office) 515 VAN	5-1920
Rodgers, Vincent	Professor & Director of Graduate Student Studies	Elementary Particle Physics & Mathematical Physics	513 VAN	5-1219
Skiff, Frederick	Professor	Plasma Physics; Nonlinear Dynamics; & Optics	504 VAN	5-1689
Stiffler, Kory	Visiting Assistant Professor	Supersymmetry, Black Hole Physics, Cosmology, and String Theory	410 VAN	467-0004
Wohlgenannt, Markus	Professor	Condensed Matter/Materials Physics; Optics; & Photonics and Quantum Electronics	126 IATL	3-1974

1.6 What if....Emergencies, Trouble Calls and Equipment Malfunctions 335-5071

Facilities Management Work Control Center or FM@YourService

- Elevator Problems
- Floods
- Heating/AC Problems
- Most Building Problems
- Power Outages
- Storm Damage
- Snow Removal/Roads
- Bodily Fluids Clean-up (vomit, blood, etc.)

335-5022 Public Safety or 911 for Emergencies

- Ambulance
- Break Ins and Illegal Entry
- Fire
- Personal Injuries
- Theft
- Disruptive Students

335-1754 Lab PC & Equipment Malfunctions (Anthony Moeller)

All incidents affecting members of the general public, students or others while on campus which you believe could reasonably result in a liability claim against the University should be reported to the Risk Management and Insurance Department. The [University of Iowa-Incident Form](#) can be used to report all incidents with the exception of incidents within University Hospitals and Clinics, auto accidents or workers compensation claims.

Incident Report Form: <https://riskmanagement.fo.uiowa.edu>

Please report all incidents along with the incident report form via self-service to the Physics and Astronomy main office 203 VAN.

1.7 University of Iowa Who Does What
